

Usa la linea numerata per esprimere le disuguaglianze.

Es) $X \geq 190$

1) $X \leq 16$

2) $X \geq 120$

3) $X < 195$

4) $X > -185$

5) $X \leq -200$

6) $X \leq 5$

7) $X \leq 5$

8) $X \geq 190$

9) $X < -190$

10) $X \leq 18$

11) $X \geq 14$

12) $X < -20$

13) $X \leq -105$
