

Usa la linea numerata per esprimere le disuguaglianze.

Es)  $X \leq 85$

1)  $X \geq 110$

2)  $X < 7$

3)  $X < 105$

4)  $X < 30$

5)  $X > -12$

6)  $X > -7$

7)  $X < 90$

8)  $X > -70$

9)  $X < 1$

10)  $X > -10$

11)  $X \leq -100$

12)  $X \geq -13$

13)  $X > -185$
